

The Personal Information Protection and Electronic Documents Act

(PIPEDA) became fully in force on January 1, 2004. This federal legislation requires Little League Canada to comply with all provisions of the Act wherever we operate in Canada. The only exception to this is in those provinces where similar legislation has been enacted. To date, only B.C., Alberta and Ontario have similar legislation.

The President of Little League Canada is the designated contact for complaints and inquiries regarding Little League Canada's compliance to this Act.

Each Little League in Canada will adhere to this Act, or to the similar legislation if enacted in your province of residence. For individual Little Leagues in Canada, the contact person for complaints and inquiries about this legislation is the President of the Local League. If your concern is about personal information collected or safeguarded by your local league, please contact your local league president. If you do not know who the local League president is, or how to contact the local league president, contact Little League Canada at 613-731-3301.

If you have any questions, complaints, or would like further information with regard to information held by Little League Canada, please contact Little League Canada's regional office in Ottawa at 613-731-3301.

For your reference, the Federal Act can be found at <http://laws.justice.gc.ca> for the English version, and at the following for the French version: <http://lois.justice.gc.ca/fr/index.html>
